

Granulation Workshop Material & Tools List

Metals

Quantity

- Fine silver round wire 22 gauge 3 - 5ft
- Fine silver round wire 20 gauge 2 - 4ft
- Fine silver round wire 18 gauge 2 - 3ft
- Fine silver sheet 26 gauge 2"x6" 1

OR if you already have 24 gauge fine silver sheet, that will be fine also

Tools & Other Items

- Yellow ochre in powder form (small quantity in plastic container)
- Charcoal block
- Tweezers
- Files
- Rawhide mallet
- Cutters
- Saw and blades
- Round and chain nose pliers
- Sharpie
- Fine tip round paint brush
- Small paint palette
- Containers for components such as spheres (1 for each size you want to make)
- Small water tight containers for glue formulations

If you wish to learn how to create spheres the traditional way using wood, bring a 12" x 6" x 1.5" piece of pine wood
